G. Ernest (Ernie) Nutter	437,903,707	93.03%	32,818,802	6.97%

At the Meeting, shareholders also fixed the number of Directors at nine for the ensuing year, voted to appoint PricewaterhouseCoopers LLP as the Company’s auditor and authorized the Directors to fix their remuneration, approved amendments to the Company’s Stock Option Plan and approved all unallocated options under the Company’s Stock Option Plan.

About Nevada Copper

Nevada Copper (TSX: NCU) is a copper producer and owner of the Pumpkin Hollow copper project. Located in Nevada, USA, Pumpkin Hollow has substantial reserves and resources including copper, gold and silver. Its two fully permitted projects include the high-grade underground mine and processing facility, which is now in the production stage, and a large-scale open pit project, which is advancing towards feasibility status.
